

Paid Internship

The **Koch Internship Program** was established to develop the next generation of liberty-minded leaders and entrepreneurs. Over the course of the program, Interns engage in key Foundation projects while learning and applying Market-Based Management®—the management philosophy based on the same principles which lead to prosperous societies. Spring and fall interns earn \$12 an hour, summer interns earn \$13 an hour.

Advancing Liberty

The internships cover various fields including:

- policy research and analysis
- grassroots education
- marketing and communications
- donor relations

This hands-on experience gives Interns the chance to explore the non-profit sector while applying the management philosophy they are learning from the Foundation, and allows them to build a network of like-minded friends and associates.

The spring 2009 Koch Internship Program runs
January 12 -May 1, 2009
Applications are due December 19, 2008
